12. (Internal Use Only - JGO) Met with Dr. Roy Bullock, Staff Administrator, House Foreign Affairs Committee, who told me the Radios bill, S. 18, is scheduled to come up on the floor of the House on Monday. The Committee does not anticipate any real problems in the House, but they are unable to make any forecasts with regard to the Senate.

13. (Internal Use Only - JGO) Met with Mrs. Lois G. Myers, House Post Office and Civil Service Committee staff, who told me Chairman Dulski will probably cancel the full Committee meeting scheduled for Thursday, 18 November. This could result in no further meetings of the full Committee until next year and, in consequence, no further consideration of H.R. 11150, the bill for the protection of the constitutional rights of Federal employees.

14. (Unclassified - JGO) Talked to Mr. John Lally, Assistant Counsel, Investigations Subcommittee, House Armed Services Committee, and reviewed with him the ground rules for Agency assistance in security sweeps of committee facilities. In a word, I told Mr. Lally that though the Director is pleased to assist the chairman in special checks (as was done last week), we are unable to provide this service on a routine basis. Our manpower situation will not allow it.

OFFICE OF LEGISLATIVE COUNSEL

Thursday - 4 November 1971

25X1 1. [] Met with Mr. Robert Lockhart, House Post Office and Civil Service Committee staff, who told me that the regular meeting of the full Committee has been scheduled for 10:00 a.m., Thursday, 18 November with the same agenda including H. R. 11150, the Ervin bill, that was scheduled for the last meeting when the Committee was unable to reach a quorum.

25X1 2. [] Met with Miss Valerie Duval, Legislative Assistant to Representative John E. Moss (D., Calif.), and gave her a copy of the unclassified pamphlet "The Central Intelligence Agency" and a copy of Mr. Helms' speech of 14 April 1971. This was in response to her call of yesterday in response to a constituent inquiry. Miss Duval was most appreciative.

25X1 3. [] Met with Mr. Ralph Preston, House Appropriations Committee staff, who told me that he has learned from Don Brazier, Department of Defense, that it is the Department's intention to include the Agency shortage in a supplemental request. Mr. Preston noted that this was quite different from the information [], OPPB, had given him. Mr. Preston sees no particular problem with going the supplemental route if it is what the Department and OMB desire. Mr. [] OPPB, has been advised. 25X1

25X1 4. [] Talked to Dr. Al Westphal, House Foreign Affairs Committee staff, who told me that the Committee Chairman is ready to appear before the Rules Committee whenever he is called to testify on S. 18. The bill is pending in Rules Committee but no date is scheduled for consideration. He does expect, however, that they will have the measure cleared through the House this year. [] CA Staff, has been 25X1 advised.

25X1 5. [] Met briefly with Carol Berdes, Administrative Assistant to Representative Ogden Reid (R., N.Y.), who told me that her final day in the office will be the 16th. I told her I will be by before she leaves to close

11. [] Met with Mr. Ralph Preston, House Appropriations Committee staff, who told me that he has not received a comeback copy from Chairman Mahon of the letter to Chairman Dulski, House Post Office and Civil Service Committee, concerning H. R. 11150. He assumes the letter did go out, however. He asked that I hold off on delivery of the safe probably until after the 11th when the Committee is scheduled to go to the floor with the Defense Appropriations bill. In response to my question he agreed that this will be a good time to clear out the back documents that have been held by the Committee for return to the Agency.

25X1 3. [] Met with Mrs. Anne Sullivan, in the office
25X1 of Senator Sam J. Ervin (D., N.C.), and left with her a suggested reply
25X1 to a constituent inquiry from [] having to do with Air
25X1 America. The reply stated the Agency did not comment on allegations
25X1 concerning its activities, but did discuss the matter of congressional over-
25X1 sight of the Agency which had been raised in [] letter.
25X1 Mrs. Sullivan said the suggested reply was most helpful.

25X1 4. [] Called Harry Symmes, Deputy Assistant
Secretary of State for Congressional Relations, to say I planned to see
Senator Clifford P. Case at the first opportunity in response to his letter
to Secretary Rogers inquiring about Government relations with various
aircraft charter companies. I said I planned to remind Senator Case that
this subject had been discussed a year and a half ago at a Senate Foreign
Relations Committee briefing which he attended and refresh his recollection
regarding information provided at that time. If this didn't satisfy him
I said I hoped to find out just what it was he was driving at and why and
I would pass the results on to the Department. Mr. Symmes said this
seemed a good idea to him.

25X1 5. [] Met with Robert Horner, Chief
25X1 Investigator, House Internal Security Committee, and he gave me material
25X1 on [] and on the [] which were forwarded to [] 25X1
25X1 of WH Division, and [] CI Staff, respectively.

25X1 6. [] Delivered to the offices of Senators Mike
Gravel (D., Alaska), Thomas Eagleton (D., Mo.) and Representatives
Robert Michel (R., Ill.), Philip Crane (R., Ill.), Joe D. Waggoner (D.,
La.), and G. V. Montgomery (D., Miss.) FBIS items in which their names
were mentioned.

25X1 7. [] Talked to Mr. Bun Bray, Associate Staff
Director, House Post Office and Civil Service Committee, who told me that
the hearings scheduled for next week on H. R. 3807, a bill "To amend title 5,
United States Code, to establish and govern the Federal Executive Service,"
has been cancelled. The Administration now desires a delay until next year.
Mr. Bray indicated that at such time as hearings are finally scheduled or
other interest evidenced in the bill, he will be pleased to sit down with Agency
representatives and go over our needs with us.
